

BEFORE THE OFFICE OF THE COMMISSIONER OF RAILROADS

STATE OF WISCONSIN

On the Commissioner's Own Motion for a Determination of the Adequacy of Warning Devices at the Grade Crossing of the Wisconsin Central Ltd. Tracks with CTH 'I' (Main Street) in the Village of Conrath, Rusk County

9164-RX-558

SUPPLEMENTAL ORDER

On July 8, 2004, the Office of the Commissioner of Railroads (OCR) issued an order that required the installation of 12" LED automatic flashing lights (including sidelights in the southeast quadrant) with gates, and constant warning time circuitry at the public crossing of the Wisconsin Central Ltd. (WCL) tracks with CTH 'I' (Main Street) in the Village of Conrath, Rusk County by December 31, 2006 (Crossing No. 697 297J / MP 346.77).

By letter dated January 6, 2005, the Wisconsin Department of Transportation (DOT) filed a request for an amendment to the order. DOT requests that the requirement for a sidelight be deleted. A field review found that the sidelight is actually in the southwest quadrant and faces a small parking lot for the post office. The Commissioner agrees that sidelights are not needed at this location and amends the order accordingly.

THEREFORE, IT IS ORDERED,

1. That the **Wisconsin Central Ltd.** shall install and maintain 12" LED automatic flashing lights with gates, and constant warning time circuitry with appropriate appurtenances in accordance with such plans as are filed with and approved by the Office of the Commissioner of Railroads at the crossing of its tracks with **CTH 'I' (Main Street)** at-grade in the Village of Conrath, Rusk County by **December 31, 2006** (Crossing No. 697 297J / MP 346.77).

2. That jurisdiction is retained.

Dated at Madison, Wisconsin, _____.

By the Office of the Commissioner of Railroads.

Rodney W. Kreunen
Commissioner of Railroads
